“ We are so sorry about your mom's passing. Just found out about this. We moved to Venice Florida a few years ago. She was our neighbor on Jeremy Lane Manahawkin for a number of years. She was one classy beautiful lady and a wonderful neighbor. Always had a smile on her face. Her family meant the world to her and always talked about her grandchildren. How proud she was of all of them.

“ My deepest sympathy. Nancy was one of a kind. A beautiful lady with a generous heart and a smile and laugh that warmed many hearts. We all have a hole in our hearts by her passing, but know she is happy now being reunited with her "Beloved Teddy". She loved and was proud of her children, grandchildren and great-grandchildren with all her heart. Nancy will be missed deeply! Love and sympathy to all of you. Love, Linda

Your mom always smiled when she greeted the young congregations that ultimately ended up hanging around your house after the - 'I dunno, what do you want to do' conversations ran out of gas. I remember asking her once if we were annoying her with all the constant commotion we brought with us and I can still remember her smiled response of "Never, - because I know where my child is and who she's with....". Heart of gold!

My prayers for her eternal happiness in the Lord's presence and for the much needed strength\comfort of your entire family.
