Nicholas Dean Angradi November 13, 1992 - April 29, 2026

On April 29, 2026, Nicholas Dean Angradi passed away peacefully at home in North Florida. He was 33 years old.

Nick was born on November 13, 1992, in Columbia, Maryland, to Julia and Barry Angradi. He was a member of The First Baptist Church of Bonifay.

From an early age, he fell in love with the outdoors; he was always ready for the next adventure. He learned to fish and play basketball alongside his dad. As a teenager, he found his adventure on a skateboard, and he began learning guitar, the start of a lifelong passion for music.

Nick finished his schooling in Massena, New York, where he earned his welding certification. It was there, living with his grandparents, Joe and Vivian Grant, that two of the most important parts of his heart were nurtured: his faith in the Lord and his love of music. Their influence stayed with him always.

Those who knew Nick knew a man who made every room feel warmer. He had a rare gift for bringing people together. He could speak life into the people around him, even in moments when he was quietly carrying his own weight. He saw the best in people, often before they could see it in themselves. To

Nick, nothing mattered more than God and family, and his faith was the anchor to everything he did. His spirit is forever alive in us, and we carry Nick along in every step we take.

Awaiting him in Heaven were Daddad, Joseph James Grant, and his uncle, Steven David Grant. Soon after, they were joined by Mommom, Vivian Lea Grant.

He is survived by his daughter "My one and only precious girl", Tahlula Belle Syrinek, his mother, Julia Anne McClatchy, his father, Barry Dean Angradi, both of whom he always strived to make proud, his Stepmother, Koren Mink Angradi, his Gram and Pop-pop, Jean Antonette and Kenneth Edward Angradi, his oldest sister Jacquelyn, who loved her siblings as if they were her own children, his brother Jeremy, and sister Melanie, with whom he shared "transmissions of the soul" through their love for music. He is also survived by his siblings David Barry Angradi, Richard "RJ" McClatchy, and Elizabeth Jane Majerick, as well as many nieces and nephews who loved their "Uncle Nick".

We will be celebrating his life together on May 8th, 2026, with a gathering at 11:30 am and a service at 12:30 pm at St John's Family Funeral Home, located at 385 State Rd 207, St Augustine, FL 32084, followed by graveside service at Evergreen Cemetery, located at 505 North Rodriguez St, St Augustine, FL 32084.

In lieu of flowers, memorial contributions can be made to the family to help with funeral expenses.

Please consider donating to The F.A.R.M. in Bonifay, Florida, who supported Nicholas in his recovery, and who helps other men who are battling the disease of addiction.

“ Nick was a very special person who came into my life. He loved to joke and make sure everyone was smiling around him. He did so much to make sure everyone was in good hands. He especially came into my life and loved me and my kids. But there is one thing he loved his daughter so much and he loved his sister and brother and everyone in his family he talked so highly of them. Nick was a very special person. When he walked in the room it light up everyone's face. I will forever miss him. I want to pay my respects to his family and most of all his outstanding most amazing sister.
