

Nicholas John Whiting

May 26, 1981 - June 19, 2024

Nicholas John Whiting passed away unexpectedly on June 19, 2024, at the age of 43. Nicholas was born to John Elwood Whiting and Maryann “Annie” Whiting on May 26, 1981, in Lansing, Michigan. He attended pre-school and elementary school in Walla Walla, Washington, and high school in Florida. Nick loved cities- San Francisco, Seattle, Portland, OR, Las Vegas, Denver, Ft. Lauderdale, Miami and St. Augustine. He loved Colorado and Alaska, hiking and mountain climbing in both states with his sister, Lisa Renee’. Nick was most recently employed by Traffic Materials Systems, and PreForm, in St. Augustine, and was proud to be promoted to Chemist by his mentor and boss, Alex. He worked in a lab running many different tests, creating colors, and meeting buyers from other states to explain standards. He greatly enjoyed the camaraderie of the factory at PreForm and working with Rob, and returned often to work overtime. His contagious laugh, super smart, funny and caring, positive personality, will be remembered fondly by the gals and guys who worked with him. He was a real genuine guy who lit up the room. Growing up he had many wonderful adventures with his Aunt Sharon and cousins his age, Josh and Nate, in Washington and Oregon, including cub scouting, camping at Mt. Hood, exploring tide pools at Canton Beach, and swimming and picnics at parks and lakes. He was proud of his 2013 Cadillac Coupe, helping with projects for his Mom at Juniper Sands Park, and his significant other, Chey Amber Messer in Green Cove Springs. He is survived by his father, John (Sue) Whiting; mother, Annie Swick

Johnson; stepfather, Ted Johnson; sister, Lisa (Matt) Renee Johnson; nephews, Jake and Brett Johnson; significant other, Chey Amber Messer; step-brothers, Bryan (Karen) Sweaney, Dan (Jason) Sweaney; Aunt Sharon (David) Steele and their family; Aunt Sue (Howard) Durling and their family; many first and second cousins and their families from the Whiting family. He was predeceased by his paternal grandparents, Elwood and Eunice Whiting; maternal grandparents, Jack and Fran Swick; five loving Whiting aunts, Lucille Tuckey, Wilma (Norm) Campbell, Marion Whiting, Leila Whiting, Linda (Matt) Silvas and their families.

“ Nick was in many ways my best friend, one of the greatest humans I ever had the privilege of knowing. He was a hard worker, a passionate person and always had a smile on his face. He will forever be missed by myself and many others. Rest in peace brother.

“ My favorite memory of Nick is a simple car ride we took together when he was around 18. He talked about his life, his ideas for the future, some of his dreams, & we connected on a deeper level than just two kids who grew up together. I'll always remember him that way - seeking, exploring, adventuring. There is always something more to learn in this life we lead. Nick is at peace, & all of us still here will continue to share & remember our special days with him as time goes on!
