Dear Jill, I was there the first time you and Nick met. I will never forget how his whole face would light up every time he spotted you. It was truly love at first sight. You guys did what most of us only dream about , You went on this unforgettable trip and created so many memories together. I hope you find comfort in those precious memories.

And I hope time will soften, your hurt. I love you Jill. You will always be my little firecracker.
