

Nora May Wood

October 26, 1928 - April 22, 2026

Nora May Wood, 97, of Welaka, passed away peacefully at her home on April 22, 2026, with her family by her side.

She was born in Liberty, New York, the only child of George and Betty Mosher, and spent her early years there. Nora graduated from Liberty Central High School and went on to build a life centered around family, dedication, and quiet generosity. She married her beloved husband, Walter, and together they began their family in Liberty, sharing 66 beautiful years of marriage before his passing in 2019.

Nora retired from the Town of Liberty working in administration, where she was respected for her reliability and strong work ethic. After retiring, she relocated to Gainesville and later to St. Augustine, embracing life closer to the beach, where her family loved to be.

Nora found joy in life's simple pleasures. Before her eyesight declined, she lovingly knitted beanies for friends and family, as well as afghans and mittens for babies. She enjoyed working on jigsaw puzzles, reading, and spending quiet moments at home. One of her greatest joys was time spent with her cherished granddog, Lulu, whom she delighted in spoiling with treats and playing tug-of-war.

Nora will be remembered for her warmth, devotion to her family, and the care she showed to those around her. Her presence will be deeply missed by all who knew and loved her.

She is survived by her daughters, Wendy Wood and Tina Planishek (Dave);

grandchildren, Christopher Planishek(Heather) and Julie McKee(Philip); great grandchildren, Bradley, Hudson and Graham and her beloved granddog, Lulu.
