

Patricia Ann "Pat" Dyer

September 5, 1937 - October 23, 2023

Patricia Ann Dyer, known to all as Pat, passed away at the age of eighty-six on October 23, 2023. Pat was the daughter of Bonar and Ann Dyer and grew up in southern California until she moved to Buffalo, New York to pursue her college education. She had a love for helping the youth, which was exemplified in the many ways she devoted her time and talent. Her first career was as a physical education teacher in upstate New York. When she retired, she moved to sunny Florida and started her second career working for Disney World in Human Resources. In her free time everyone knew Pat as one of the Orlando Loreleis synchronized swimming coaches. Most athletes remember her as the US Syncro judge with the big glasses. It was in this capacity as a coach in Orlando that she met and sponsored Rossy, a high school foreign exchange student. Pat had a huge heart, and though she never married or had children, adopted Rossy like her own child. Pat split her time between Orlando and St. Augustine, as she always loved the ocean. Pat will be deeply missed by Rossy, Rossy's husband Jordan, their three children Iris, Christian, and Evan, Pat's gal pals, and the countless swimmers for whom she so positively impacted.

Graveside service will be at 11:00 am on Saturday, November 4, 2023 at San Lorenzo Cemetery, 1635 U.S 1 South, St. Augustine, FL 32084.

St. Johns Family Funeral Home is in charge of arrangements.

“ Pat was definitely a very special person. She did so much for so many people. Don't know what I would have done without her. We shared many great times.
