

Dr. Patricia Louise Gill

February 20, 1935 - January 6, 2024

Patricia Louise "Pat" Gill, age 88, of St. Augustine, passed away on January 6, 2024 at Bailey Center for Caring in St. Augustine, FL. Patricia was born on February 20, 1935 in New York City, NY to parents Samuel and Kathaleen (Dorman) Gill. She moved to St. Augustine Beach in 1944 and graduated from the Cathedral Parish Elementary School and attended St. Joseph Academy for 1 1/2 years. She graduated with a Bachelor of Science Degree from Marymount College in Tarrytown, New York, received her Master's Degree from Columbia University in NYC and her Doctorate in Education from Nova Southeastern University in Florida. Her mother said she was part gypsy and she lived to prove her correct by teaching in Connecticut, New York, South Carolina, Tennessee, West Indies, and Africa. She was a Dean of Instruction in Tennessee, South Carolina and Florida.

Her love of Africa and the children she taught in the schools in the United States and East Africa are what moved her the most since the beginning of her teaching career in 1956. She taught four years in Africa in the early 1960's. After retiring she went back to Africa to work with the children and teachers a number of times.

Pat is probably best known locally for her work with the League of Women Voters to educate the voting public in her community of St. Johns County, and for her work with St. Augustine Beach politics while serving on the Planning

and Zoning Board, and the Code Enforcement Board and her continued involvement in commissioner candidate's campaigns.

She is survived by two brothers: Samuel E. Gill III of New York and Robert E. Dolan of Orlando; 4 nieces, one nephew, 6 grandnieces, 2 grandnephews and 2 goddaughters.
