“ My memory is accompanying your mom on the piano while she played the violin. I was very nervous. This was in Williamstown at a school/choir event.

She lived on Henderson Ave. I lived one block away on Caroline Ave. She remained a good friend as “Peanut Patty” when we started emailing as members of WHS class of 1963. Glenda Binegar Stanley

I feel acquainted with you even though we've never met simply because of how fondly Mom always spoke of you. Mom loved her time at Williamstown and would want the class of '63 to know how much she loved them.

“ Even though I was just a server at a restaurant she frequented, she always made me feel like I was another member of her family, and she treated my son like a grandkid whenever he was at work with me. She had the biggest heart that somehow just kept growing to love more and more people and the most infectious smile I’ve ever seen.

No one was ever “just a person” to Mom. She loved deeply and had room in her heart for everyone. You and Dakota were special to us all. Thank you for loving our mom.

“ I have many memories of Patty and my Mom being young Moms together on 42nd Street in Parkersburg WV. We lived next door to each other until 5th Grade. My Mom and Patty shared meals, holidays and birthdays. I remember them sitting together in our kiddie pool sunbathing while we played together as kids. ❤️

Patty and I met in the early 1970’s when our husbands worked together. We shared common interests in young children, shopping, Girl Scouts, softball and cookouts and had a lot of fun. She will truly be missed as she loved her family very much.
