“ *Pat had to be an awesome wife and mother to win the dedicated love of her husband, Roy. I feel inspired by their love for one another and that I had the privilege to see it and experience it over many years. And their love for Karen and her love for her parents was their crowning glory. Thus a privilege to share their friendship from Hoboken and Union City to Holmdel, Avon, and St. Augustine. Fr. Tim Tighe*

Roy: So sorry to read of Pats passing. When you received the PA highest award for Tax Free Zone, we shared nice conversation while waiting for the festivities to start. as I recall our conversation lasted so long that one of my co-workers suggested that I not monopolize her so much. One of the drawbacks of older age is to witness the passing of so many associates, family and friends. I happened to mention your name to daughter Susan now Patterson and this is how I learned of your loss. You look well, my friend. Recall I as your senior I turn 90 in May, God willing. Stay well and tight lines. Jim Duncan
