“ *It is long long ago now when I first met Patty. Her sister and my neighbor Helen Walsh assured me that Patty would welcome 2 strangers ( my daughter and me) from Ohio with her sister. She was so right. Many years have passed and I saw Patty many times on her visits back home to Columbus.  
Beautiful inside and out, may she rest in peace.

“ We’ve had the pleasure of knowing Pat and Tony for the past 8 years as our neighbors. During that time we were able to hear about all the adventures they had been on, along with the new additions and celebrations of the family. Pat was always sneaking over and leaving small surprises for our daughter wether they were Easter Eggs on the front swing or different rocks that she knew our daughter was obsessed with. She was truly an amazing woman and we will miss seeing that radiant smile! Our thoughts and prayers are with all of her family.

“ *Patty was the most generous hostess I ever knew . The first time we met, my daughter & I went down to St. Augustine from Columbus, Ohio with her sister Helen. Adding two strangers to an already full household might have been unwieldy for some? Patty didn't bat an eye. She and Tony welcomed us as if we were long lost relatives. We got together many times in following years here in Columbus. She always kept that wonderful generosity of spirit ( and love of any/all animals ) through the years.*

*It was a privilege to know such a special person. We send our deepest sympathy to Tony and the family.*

*May she rest in Peace.*
