

## Patricia Ann Stover

September 13, 1954 - March 25, 2022

Patricia Ann “Patty” Stover, 67, of St Augustine, Florida passed away on March 25, 2022, at the Bailey Family Center for Caring in St Augustine.

Patty was born on September 13, 1964, in Flemington, New Jersey to James and Mary Ann (Gratt) Rudderow. She attended local schools and graduated from high school in New Jersey.

Patty moved to St Augustine in 1979 not too many years following her high school graduation. Her family moved across the street from Michael Stover and while he noticed her, he did not ask her out for quite some time. He ended up asking her out and they married on March 26, 1984. Patty died one day shy of what would have been their 38th anniversary. Patty will be missed by not only her family and friends, but also by all the customers she served as co-owner of Action Heating and Air that she and Michael started in 1982. Patty was the face of the company and will be greatly missed. Patty loved her family and friends as they were the joys of her life.

Patty is survived by her husband Michael Stover; son Michael “Mikey” (Erin) Stover; grandchildren, Hazel, Aiden Robert, and Aidan Phillip. She is also survived by her brother; Greg Rudderow (Charla).

Patty was preceded in death by her parents, and her brother Michael

Rudderow.

The family wishes to thank the MD Anderson Cancer Center, Community Hospice and particularly the Bailey Family Center for Caring for all their compassion and assistance.

In lieu of flowers, please consider donating to Community Hospice, specifically The Bailey Family Center for Caring.
