“ *"Fierce and fiesty" is exactly how I remember Aunt Pat! I was so saddened to hear of her passing, but take solace in knowing she is no longer bound to her Earthly body. To Uncle Billy, Beverly, Garlie and Mathew: my sincerest condolences; I know that there will be a large "Pat-sized" hole that remains in all of our hearts.*

“ *Pat was more like a sister to me than a friend. We traveled with our grandsons everywhere we could. Traveled on our own. We worked together at Frantz and the county. You could never ask for a dearer friend. God I ask you to take care of Ms Pat as lovingly know , wonderful lady.*

“ *Pat was my sister/second mother. She was loved by many and especially by her family. May she be remembered by those fortunate enough to call her friend. You will be in my prayers and daily thoughts. You are now free to fly to the heavens. Give Brian a hug for me! I love you!💔*
