“ I have always been so very proud of my father! I was always amazed at his abilities to be able to build and to do, and amazed at how well he could tan my hide when I was little! I've always been very proud of him for all of his naval service and his service to our country seeing him dressed in his white Navy dress uniform was always very special for me. I will miss him greatly! I appreciate all the discipline he instilled in me and I wish he was still around, We had great conversations on the phone, and I will really miss being able to talk with him. I wish him peace in his travels over the rainbow bridge, Bye bye daddy!! I love you!!!
