“ *Dear Janelle, Danny, Rachel and Kevin,
We are shocked and so sorrowful to hear of Paul's passing. We have such great family memories of him and all of the Mahoney family! Paul was a good man, loving husband, father and friend. We will miss his sense of humor and wit. We will always cherish our time together in Geneva, Steven's Point, Boulder Junction, Rhinelander etc. and especially our crazy camping trips! We will always think of him with a smile on our faces. Please know that Paul and your entire family are in our hearts and prayers.
The world, as of now is much less interesting without Paul Mahoney! May he rest in the Lord's peace.*

“ Our heartfelt sympathy to Janelle and all of the family, at this most difficult time. I was shocked to hear of his passing yesterday. My husband and I would talk to Paul any time we saw him out in the driveway, on our walks with our dogs. We had many conversations over the years, about a multitude of subjects. To say he was such a nice guy may seem ‘cliche’, but I hope that when my time comes, that people remember me for the same. Janelle, please reach out if you need anything. Even if you just need someone to sit silent and listen, or just to talk. Paul was truly one of the nicest guys, and I am better for knowing him.

“ I had the honor of working with Paul for many years, as well as having the opportunity to learn from him. I truly appreciated that dry sense of humor. He used to love the show Storage Wars and I remember how excited he was in CA to be able to be close to the “Storage Wars” action. Great man, great memories, and he will definitely be missed.
Rest In Peace Mr. Mahoney.

“ I met Paul back in 2011 during the transition of of our company being sold. I loved it when he would come to Southern California and he, Terri Crane and I would go out to dinner. We laughed so much. He was such an awesome guy and loved his family. Rip Paul and God bless you and your family.

“ I am so sadden with his passing. I cannot believe the news. Paul was a great mentor for me, he gave me opportunities that made me who I am now.

He was a great leader and friend. I will never forget working with him long hours as we closed out the Anaheim office in CA. His humor was the best, always making everyone laugh out loud literally.

He loved his mom so much, always called her "his mamasita". I thought that was really cute. It was awesome when we talked about how he was Mexican 😊. I will pray for his family , that the Lord may provide comfort and peace in the midst of this time.

“ He will always be Pabi to me! Pabi is my mother's first cousin and I loved him so much! When I was 13 he was 21, handsome and hilarious! I called him randomly last year just to chat and I'm SO glad I did. I will always feel connected to him, he was so awesome! I'm so sorry for how the entire family must feel, especially Janelle.

“ I am so very, very sorry to hear of Paul's passing. I worked with him for many years and always appreciated his droll humor. Years ago, Paul and I switched offices and I still remember him complaining (good heartedly, of course) about how he'd randomly find long-forgotten glitter in his desk.

Your family is in my thoughts and prayers.
