“ I don't remember a lot of things about my gramps but I do miss those days me my brother and dad would go see him he couldn't see us but when we would go there he knew who it was I stil can't believe he is gone 5 years later the day after my birthday he passed and I got the news that day and didn't know what to think mixed feelings I guess hope your up in heaven looking down on me almost done with school 3 more years cant wait I got two songs for you one is Silverado in the sky by Kidd g and the other one is I wish grandpas never died by Riley green I'm going to put the lyrics and video for the first song

*I pass that spot on River Road  
At that tackle shop where we got these poles  
You know I drive real slow  
Back to summer's where I go*

*Time passes, people change  
But I know one thing that ain't*

*I go fishing in the dark sometimes  
I cast a line, and get to missing you, and keep on wondering why  
I'm in Florida, but you're on Heaven's time  
I hope you're still in your Silverado in the sky*

*I bet those 35's are on streets of gold, did Papaw give up his honey  
hole?  
It's one line instead of two on the pier, raise a glass to your name,  
hold 'em up here*

*Has it been days or years or weeks?  
Hell, I can't lie, I still can't sleep  
You're always here with me  
Got your name in my tattoo sleeve*

*I go fishing in the dark sometimes  
I cast a line, and get to missing you, and keep on wondering why*

*I'm in Florida, but you're on Heaven's time  
I hope you're still in your Silverado in the sky  
I hope you're still in your Silverado in the sky, oh-oh-oh  
Mmm, yeah, yeah*

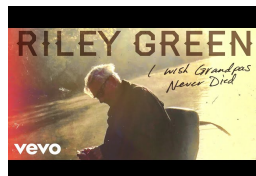

*It's a full moon right now  
Saw your reflection lookin' down at the water  
Give a damn 'bout the bobber  
'Cause I'm missin' you right now*

*I go fishing in the dark sometimes  
I cast a line, and get to missing you, and keep on wondering why  
I'm in Florida, but you're on Heaven's time  
I hope you're still in your Silverado in the sky*

*I hope you're still in your Silverado in the sky  
I hope you're still in your Silverado in the sky  
Are you still in your Silverado in the sky*

*love you papaw*
