

Peggie Lee Long

April 29, 1937 - June 17, 2025

Peggie Lee Adams Long, age 88, of St. Augustine, Florida, passed away peacefully on June 17, 2025.

Born on April 29, 1937, in McRae, Georgia, Peggie was the beloved daughter of the late Victor and Daisy Adams. She devoted her professional life to serving others as a clinical psychologist in the mental health field, where her compassion, insight, and dedication made a lasting difference.

A woman of deep faith, Peggie was a lifelong member of the Baptist church. She found great joy in the simple pleasures of life—shopping and time spent at the beach. She loved Hawaii and felt that Hawaii was the closest place to heaven on Earth.

Peggie is survived by her loving daughter, Dee Sommer; her grandson, Joseph Lee Anderson; and her great-grandson, Chase Anderson. She is also lovingly remembered by her sisters, Billie Locky and Ann Mercer.

She was preceded in death by her sister, Donna Adams; her brothers, Charles Adams and Tommy Adams; and her devoted lifelong partner, Dr. John Anthony, with whom she shared many years of love and companionship.

Peggie will be remembered for her warmth, strength, and the care she

showed to all who knew her.

“ *It was truly an honor to have been able to care for Peggie. She
always had a smile and a “Hey Darlin” for me every morning. In just
a short time she touched my life with her kindness and humor. She
will forever be remembered and missed by her Coral Landing family*
