“ Dear Alison, Michael and girls,  
Please accept my heartfelt condolences in the passing of your father and grandfather. He brought light and laughter to all who knew him. Chub and I were blessed by the friendship with him and your Mom for many years. He was a good man.  
The devoted care and compassion you gave him could only come from a heart of love.  
As you journey on, may you be comforted knowing he is with his Savior Jesus Christ.

Our love and prayers are with you during this time. May the special memories you have bring you comfort. The loving care and devotion you showed to your Dad especially during his illness speaks to the special bond you all had and that love remains. What a blessing you were to him. He now is in the loving arms of his Savior but forever in your hearts.
