

## Peter Paul Gabriel

October 26, 1959 - November 4, 2020

Pete was born and raised in Baltimore MD. He graduated from Patapsco High School in Dundalk, MD. Pete was full of ambition and had the talent and tenacity to achieve.

Pete had a 25 year career with a global manufacturing company ITT, beginning his career at ITT in Radar Systems, in California in 1988. Through hard work, dedication, persistence and strategic vision, Pete held numerous key roles in Operations and Supply Chain, eventually becoming VP of Operations. He was a natural leader who cared deeply for his company and those who worked around him. Pete had an uncharacteristic confidence and desire to build up those around him into better people and better leaders.

Beyond his career, he had a penchant for adventure and fun. You could often find him on a fishing boat off the coast of Florida, or watching the Ravens, his hometown football team. His cats were his love second only to his wife Jo-Ann. His adventurous side led him to experiment with learning to play a variety of musical instruments. From guitar to keyboard he was ready to try them all.

All who knew Pete knew that the most important thing to him was relationships; those who knew him considered him a friend. He left us too soon, with friends too numerous to count.

He is survived by his loving wife Jo-Ann, his mom Jean, siblings, Debbie,

Rose, Jamie, Mary and John.

“ *It's not often that someone comes in to your life and you just click, especially as an adult. Pete supported me, gave me advice, voiced his STRONG opinion and calmed me down through all my recent major life changes. I couldnt ask for a more caring, generous, knowledgable friend, Pete is one of a kind and I only wish I met him 20 years sooner. No more pain Pete, Rest In Peace. Todd Kuyawa*

“Pete and I became friends through the ITT Purchasing Council and eProcurement initiative that we chaired. Having Pete involved in anything was always a positive.

God speed Pete.

“I, for one, will really miss Pete. He was my brother in arms while I was working at Gilligan and we remained in close contact after my retirement.

Rest in Peace brother. You put up one hell of a fight now you can take that victory lap.

“I will always remember the great times at The Baltimore Gran Prix. I was always a fun time with the guys. Pete always made sure he had our Paddock pass and hotel stays in place he was great at getting things set up for us. When it came time to go out after the races he always wanted to take care of the drinks and food. I will always remember how kind and caring you were buddy God Speed to you. Love the Long family
