## Never Forgotten

I remember your smile,  
How you shined so bright.  
I didn't see the pain inside,  
You hid with all your might.  
I know the pain became too much to bear,  
I know you tried to see.  
But the darkness hid you in a shadow,  
As immovable as a tree.  
On the day you left,  
A piece of my heart went too.  
But I bask in each new dawn.  
Because now I live for me and you.

“ I was looking and saw there are no pictures of your two boys. No one posted them for your memories to come. The only two to carry on your name to their families. I know you loved them. When they get old enough to see this, they will be proud to be part of your memory. I'll be the one to make sure of it.  
We had our differences but the one thing we need on at every drop off was that you were a great father to them. . Your boys miss you. I will do my best to raise them right and keep you Alive in Their spirits. After all, I'm all they have left. I hate the circumstances. I wish things could have been different. Please watch over our boys.
