“ Please accept my deepest sympathies. Losing someone you love can be very difficult. I too felt that pain. Our loving heavenly Father understand our grieving hearts so much that he promise to end all suffering soon. (Revelation 21:3,4)

“ You found our first apartment and let us spend our honeymoon in your attic. You shared the hide-a-bed which became a family heirloom. We always enjoyed the dinners with you and Pat whenever you visited Georgetown. Our families have so much in common. Our children are our legacy. We will remember you though your wonderful family. Pat you are in our prayers. We will miss you Phil, our smiling brother and brother-in-law.
