“ *Princess Phoebe, the girl with the best wardrobe I've ever seen full of only the cutest accessories! I remember meeting you for the first time. We walked by your room and were blown away at all of your superb decorations and your top fashioned fully stocked closet. And then we got to see you sitting up in your crib looking our way with the sweetest look of compassion and eyes so full of love as you looked towards your Momma to find out if we were friends or not. Your Momma said wave hi Phoebe, we got a quick wave and a smile that lite up the entire unit. Feisty FriebeI you are the toughest little warrior that I've ever met. You're strength was truly inspirational. Thank you for allowing us to walk with you throughout your journey. God bless you sweet Princess Phoebe. May you forever Rest In Peace and provide the best guardian Angel to your amazing parents.*

“ You definitely left an imprint on everyone’s life. I remember Davian being right next door and every time we would walk by, we always wished that we could just pop by but we didn’t want to risk carrying in any extra germs. Instead, we would just move a little slower and pass by and smile at you guys. Praying for you mom and dad 💙💙 let us know if you need anything! God decided he needed her to protect y’all instead of y’all protecting her 💙🙏

“ I’m so sad that I never got to meet you but I followed your journey ever since we learned you were in your mommy’s tummy and even before you were in your mommy’s tummy. I wanted to meet you so many times but it felt irresponsible of me to even think of doing so, worrying I could possibly get you sick. You had the best Mommy and Daddy and we are so sad that you are gone, but so thankful you’re no longer in pain. Obligations may keep me from being able to attend your service physically, but I will definitely make sure it is live streamed somehow!

You were such a strong beautiful little fighter with a heart of gold. So happy all of the time. You touch so many people including me. I'm so sorry that your gone. You will always be an insperation to Makayleigh and I and, to all that were blessed to meet you. I'm going to tell her all about you when she grows older. You never gave up and I know in my heart it was because your Mommy and Daddy were always with you. You had the most beautiful smile that always lit up the room. Its so heart breaking but I know you are in a safe place when you are at peace now. You will always be in our hearts, Beautiful❤️🙏 God had a purpose for you and you have left you imprint on all of us❤️

“ I will never forget when I would say good morning to you and your momma the quick stank eye you'd throw out the door at me! Then the infectious laugh your momma would have.
