“ We have been best friends for over 35 years and shared a lot of memories. I just want to tell VERA that he loved her more than life itself and one of my favorite memories was October 16, 2004 standing by my best friends side as he married the love of his life. I've never seen him that happy and he made his dad proud that day because he knew Randy had found his soulmate and the person he was meant to spend the rest of his life with!!!❤️

My life has been turned upside down with the passing of my best friend my husband Randy. He loved me fiercely, always had my back a billion percent and was the most gentle, kindest man I've ever known. Though we didn't share his sense of humor, my world was definitely a better place with him in it. I cherish the memories we made and wish that we had more time to share together. I love you and will see you again my Randy...
