

## Randall Stuart Roy

October 24, 1949 - August 21, 2021

Randall (Randy) Stuart Roy passed away on Saturday, August 21, 2021. Randy was born on October 24, 1949 in Fort Carson, Colorado to Phyllis Beckley Roy and the late Ronald Roy. He grew up in Jacksonville, Florida where he graduated from Robert E Lee High School. He was big brother to Rick, Rob, Jim, Cathe and step brother, David Card.

Randy graduated from LaGrange College where he studied theatre and met the love of his life, Janet. Randy adored her, they were best friends, and had 52 wonderful years of marriage together.

Although Randy retired from a successful career with Ryder trucking, his real passion was coaching tennis and DJing events. "Rockin' Randy's" last gig being his 50-year High School Reunion.

Randy loved all things music and was the biggest Beatles fan EVER! He loved watching all Florida Gator games, and spoiling his fur baby, Charlie. Most of all, he deeply loved his extended family and friends. He never knew a stranger and was always ready to brighten the day of anyone he met. There was never a dull moment when Randy was present. He hugged everyone and his joy and passion were contagious!

Randy is survived by his wife, Janet; their 2 children Paula, Tony and his wife Kathy; 3 grandchildren – Courtenay, Ethan and Jack; his mother, Phyllis Roy; brothers, sister and spouses - Rick and Jean, Rob and Cindy, Jim and Marie, Cathe and Arlette, David and Mary and a host of extended family and friends who will miss him dearly.

Funeral service will be held at 2:00pm on Thursday, August 26, 2021 at St. Johns Family Funeral Home. A visitation will precede the service from 1:00-2:00pm.

“ When I received the call that Randy had passed I was so heartbroken. I worked with Randy with Randy at Ryder he trained me to do my job and he was so funny. I would always tell him that he reminded me of Terry Bradshaw. We kept in touch after he retired and I just spoke with him about a month ago. I'm truly grateful to have had the opportunity to cross paths with Randy and I pray that God will comfort his family during this very difficult time.

“ I am very thankful I crossed path with Randy. He believed in me 15 years ago when I applied for a job at Ryder and he hired me. I was lucky to work for him. He was a very good person and supervisor. We stayed in touch after he retired a few years ago and I spoke to him last, a couple of months ago. I still cannot believe that was the last time I would speak to him. My condolences to his wife Janet and family. He will be really missed.

“ *We are incredibly heartbroken to hear this news. Randy and Janet were the best neighbors you could ask for. They even dog-sat for our cranky, old snoring dog, KoKo. Randy always greeted us with smiles and hugs. He was a generous and fun-loving person who was true to himself and always kind to others. This is certainly a heavy loss. Prayers for Janet and all of his family and friends. Much love from Luke & Heather Keith*

“ Randy will surely be missed, he was the life of the neighborhood. Always smiling and concerned for others. He always stopped when when i was out front to talk and was happy when i retired. i do not think he ever knew a stranger. As he would leave my house he would always say tell Marcy hello!!!  
Marcy and i will never forget him and we send out prayers to Janet and family.

“ Never walked or rode by Randy while he was out working in the yard that he didn't stop what he was doing come talk with you. He always had something good to say. He was a great friend. Lynn and I are going the miss his positive attitude, his big smile and especially his hugs. If you knew Randy you had to love him. Lakewood Pointe is going to miss that guy.

“ A man of medium stature, Randy Roy radiated enormous character. For more than 70 years, he provided, guided and protected Janet, their children, his family, friends and even acquaintances. He was a true and consummate patriarch.

Your color, ethnicity or background were of no consequence or concern. Chomping on a cigar, Randy would think nothing of cutting the mower engine just to say, “Hello! How are you?” Gregarious to be sure, but equally thoughtful and informed.

If you needed PVC glue, help laying sod, moving river rocks or just sharing a peaceful evening in the neighborhood, Randy was ready. He was a storyteller with a memory or tale for every occasion. Miami, Atlanta, Jacksonville, St. Augustine were all woven into a unique and sharp perspective.

We are richer for having Randy (and Janet) as a neighbor and friend.
