“ In searching thur the obituary I found your name and I wanted extend my condolences to you and your family. I know this is a difficult time for you, but I wanted to share a wonderful hope found in the scriptures, A real hope of being reunited with your dead loved one is found in the scriptures at: John 5:28. 29, along with a promise from Christ Jesus at: Acts 24:15, where he said that there is "Going" to be a resurrection, soon we will see these scriptures come true. My prayers are with you and family at this great time of loss. May Jehovah , the God of all comfort give you what you need to deal with your loss .
