“ *Lord, make me an instrument of Thy peace. Where there is hatred, let me sow love; Where there is injury, pardon; Where there is doubt, faith; where there is depair, hope; Where there is darkness, light; Where there is sadness, joy. Grant that I may not so much seek to be consoled as to console; to be understood as understand; to be loved as to love. For it is in giving that we receive and it is in dying that we are born eternal life. P.S. Vickie thank you so much Allen's family understands all to well. The Angel you must be, how grateful Allen had a hand to hold. Happy Trails*

“ Friendship is such a precious gift, it lives in your heart forever. True friends have times of anger, love, agreement and disagreement but each encounter of differences is the very thing in which you both effect the other. We do this because our differences give us challenges to our views and hopefully leads to re-evaluation of the opinions and views we have leading to bettering each in the long run. This is the type of friend Al is and will always be for he will live in my heart forever.
