Raymond Roger Labrecque

September 1, 1958 - March 27, 2025

Raymond Roger Labrecque, 66, of St. Augustine, FL, passed away peacefully on March 27, 2025. Born on September 1, 1958, in Rhode Island to Roger and Camille Labrecque, Raymond was raised with strong family values and a deep appreciation for life's simple joys.

In the 1990s, he moved to St. Augustine, where he built a life filled with love, hard work, and cherished friendships. It was there that he met the love of his life, Darlene, when they both began working at Northrop Grumman. Raymond, a skilled riveter, and Darlene, a lead riveter, shared not only a career but also an unbreakable bond. They married in 1993 and spent over three decades together, creating a lifetime of beautiful memories.

Raymond was a devoted husband, father, and grandfather. He is survived by his loving wife, Darlene; his sons, James Edward Kinas (Tricia) and Michael Anthony Kinas (Annette); stepmom Rachael, 3 sisters, 2 brothers, 2 grandsons and his nephew Tom. Family was at the heart of Raymond's world, and he especially cherished the time spent with his grandsons.

An avid fisherman, Raymond found joy and peace on the water with his close-

knit group of friends. Known as the group's "lucky charm," his presence always seemed to bring a good catch for everyone. His passion for fishing was more than a hobby-it was a way of life, filled with laughter, camaraderie, and unforgettable stories.

Raymond also had a deep love for his loyal German Shepherd, Willow, who was his constant companion and source of comfort.

He leaves behind a legacy of kindness, laughter, and a love for the simple pleasures in life. His warmth, generosity, and unwavering love for his family will forever be remembered and cherished.

In lieu of flowers, the family asks that you honor his memory by spending a day fishing with loved ones, just as he would have wanted.
