“ *Holladay, Andy, Buco and the rest of the family.... mere words cannot express my feelings of loss for my mom best friend Rebecca. Rebecca became my best friend because she was my mom best friend. She was always there for my mom and our family. I could always count on Rebecca, she was always just a phone call away. Becky is now an Angel among the stars along with my mom residing in heaven. I am sure they are both rejoicing for being together again, this time forever.*

Rest in peace Becky and tell my mom hello and that I miss and love her so much... dance among the heavens and remember to save the last dance for us when we are all together again.

Hugs and kisses from the Matthews (Inga) family (Portia).

“ Rebecca was one of the most vivacious women I’ve ever met. We clicked from the time I met her and became great friends. She always cracked me up! She trusted me, she was my biggest cheerleader, she made me feel a part of the family, not just a financial advisor. We loved to have lunches at Gypsy Cab Co and sometimes we brought other friends too. She had the most generous giving spirit and loved her children fiercely. My heart has broken for Holladay, Andy, Bonnie, Terry, Jen and the rest of the family grieving their loss of this incredible lady. I love you Bec and I’ll miss you forever. Till we meet again dear!

Much love,
Elicia

“ When Rebecca moved next door, we were delighted to have such a lovely new neighbor. Then she started planting.....her front lawn took on new life! And then she gave us the ok to engage the infamous Brad to help us keep up. The rocket was launched; the neighborhood has never looked better! Bless you, Rebecca, for your gift. And most important, for being you -- a wonderful neighbor and friend.

“ We took a seaplane ride to the Dry Tortugas. Beck was in the back seat and I was in the front next to the pilot. He let me have the controls and I moved the plane up and down slightly. She said, “That’s enough now!” LOL. We had a great day swimming around and hanging out. It was a lot of fun. I will miss her.
