“ Gail, Melissa & Mandi - I just heard of Mr Floch's passing. I am so very sorry! Even as young as I was at the time my mom (and I) babysat for you - there was no doubt you 3 were the most important girls in his life. Gail - I remember wanting to grow up and have a marriage like you shared with Rick. One that brought a beautiful smile to your face. You could tell that you two were truly the best of friends. Melissa & Mandi - I know you knew how much your dad loves you. He was so proud of you both! I'm so sorry I didn't know about this sooner.

“ Dear Gail, Melissa and Mandi, I am so very sorry for your loss. Rick was such a great guy. I remember his great sense of humor and what a great dad he was to the girls. I know this is such a hard thing to go through. I am praying for you all to find strength and be there for each other. You have lots of love within you and around you to help you through. With love, Heidi
