“ Dearest Beryl,

I'm so sorry for your loss. I hope your memories of all the fabulous trips you went on and all the fun you had together will help sustain you through this sad time. You were blessed to have had so many years together but your heart must be broken to lose your life partner.

I wish we lived closer and the time was safer so I could see you and give you a hug.

Please know you are in my thoughts and prayers.
