“ The Manhattan College alumni community shares the grief, and is now praying for our fellow alumni and the family at this time. The Alumni Office has been informed. As well as the Jasper Jottings community that I personally can reach. We are all a little poorer now. "No man is an island, entire of itself ... any man's death diminishes me". We are sorry for your loss.

“ A good person - glad we got to share some memories in his last weeks. Backyard pool games, clothesline volleyball at family picnics, theater and authors, other lost family members, trips to Freedomland and Orchard Beach... Rest now, Rich
