“ Grandpa Dick was amazing in so many ways. I never had a real father but when my mom met my Stepfather (Dicks son Ricky) 20 years ago he accepted me as his own and so did grandpa Dick & karen. The Wilcox Family is One Amazing Family & I will cherish the memories we made so far. I love you Grandpa 💜🥺

“ I enter this family 20 years ago and I promise you from the 1st day I met Karon and Dick I knew I was going to be a daughter not the girl friend of their son, I have never met a more loving. Kind, genuine caring man than Dick. He was my father n law but my in my heart he was my father. I will miss him so very much and I will never forget his beautiful smile.

Truly an amazing and very loving man. never turned his back on a single person, and always helped them to get on their feet. even when he couldn't afford it. He was never afraid to gamble and take a chance to better his family. I only hope to be half the man he was. i am so proud to call him my father and thank him so much for the life lessons and help make me the man I am today. I hope I don't disappoint
