

Ricky Allen Wilcox

June 25, 1960 - March 30, 2025

Ricky Allen Wilcox, 64, of Interlachen, Florida , passed away peacefully and surrounded by those he loved on March 29, 2025.

Ricky was born in Davenport, Iowa on June 25, 1960 to Richard Keith Wilcox (deceased) and Karon Oma Wilcox. The family moved to Florida when he was only 14 and he spent most of his life on the world's most famous beach. In 2010 he moved to Tennessee where he was able to live out his mountain man dreams, but returned back to Florida in 2022 to help care for his mom and to be closer to family.

Ricky graduated from the Advanced Technology College in Daytona Beach and spent his years perfecting his craft and becoming a knowledgeable and well respected man in his field, both in Florida and Tennessee.

In his younger years people would call him a jokester and a bit of a daredevil. His age and knees calmed him down but he always kept that funny and fearless spirit and tried to instill it in others. He enjoyed boating, fishing, ATV riding with family and friends, building scary but fun contraptions, cars (fixing and driving them), cooking, music, and above all else spending time with his grandkids.

Ricky was rough around the edges but you wanted a person like him in your

life. He would give you the shirt off his back if you needed it, no matter who you were. If you needed something fixed, he was the one to call. If you needed a laugh, he had a joke. When he loved, he loved hard.

Ricky is survived by his mother (Karon), his wife (Carole), his two siblings (Debbie and Tim) his daughter (Amanda), his 4 bonus daughters (Tiffany, Steffany, Brandi and Kalee), and his cherished grandchildren (Jaiden, David, Josh, Carma, Ana, Ivy Mae, Christian, and Wynter).

“ *Ricky Allen Wilcox, Where to begin? You Were the most amazing man that had ever came into my life. It is because of you that I was able to know what having a Real Father means. You accepted me & my sisters as your own from the very beginning. You didn't have to! but you did & you made the most out of every outing, dinner or fun activity we did together. You always knew the right words to say. You always knew how to handle every situation life threw at us. Which is what makes losing you soo much harder. Words can't describe the love I have for you. I will always love you and remember you as the amazing man you were. I know this goodbye is only temporary I know we'll meet again in the after life but until then I will continue to strive to be Better then the day before and continue to make you proud. Thank you for Always being here when we needed you most. Thank you for loving my mom the way a woman deserves to be loved and most of all Thank you for accepting us as your own.*

Until we meet again Dad. I love you!
