Bobby was a beautiful soul. He cared deeply about others before himself. He loved his family, including all cousins, aunts, uncles grandparents and his friends. Bobby made it a point to know everyone's name and their family members. He was a vegetarian, an animal lover and always looked out for anyone who needed a friend or comforting. He had a pet squirrel he called Jasper who would eat out of his hand. He also started the gardens at Stevensons Place part of Pathway homes to feed the patients and give to the needy. His greatest achievements were his art and sharing his time with others. Bobbys art has been sold to psychrists, teachers, visitors, and in art shows and ebay. Bobbys are is what he saw in his mind. It is called surrealism He was a very sweet and loving brother and I will miss him very much. He loved and was loved in return. Rest in Peace Bobby, we will never forget all the love....🥰🥰🥰
