PAPU , ("Bo Snapper") remember this name i gave you, the same nickname Grandma Jones gave Gran !

Your Extreme ANALYTICAL conversations I didn't ALWAYS understand that were so INTRIGUING and WILL BE definitely be MISSED. I've matured from it all !

Our rides together and all of our talks even when you would constantly get ur fat fingers tied on the cell phone keyboard and hang up on on accident then get confused and miscombobulated on how to dial me back .

Remember when I was getting so TALL at around 13 or 14 years old, and you took me to ketterlinus Gym and waited for Grandma Jones to get off from work as the nursing aide, you told me I was going to be the best basketball player ? Well , thank you for supporting me during those earlier days when I just wanted to SLEEP and be lazy. You never stopped encouraging me to do whatever was in God's plan for me. I LOVE YOU SO MUCH !

One more thing , Even though it was Grandma Jones's idea for "Children at Play" sign to be put by the city on the grass at 60 Julia Street and it stayed there even after I was grown I LOVE YOU FOR THAT SHEILD and Protective guard you you had over me no matter what it took !

Until we meet again I LOVE YOU FOREVER Robert Allen !
