“ Jan, Bob was a dear friend and such a great guy. We have many fond memories of times together at church activities, from participating in worship leadership to the delicious appetizers he made for the Christmas parties (everyone appreciated his culinary expertise). You were a wonderful helpmate to Bob for all those years, and we know you will dearly miss all those things that were “Mr Bob” in your life. Our love to you during this sad time. Norm and Linda

“ My sincerest condolences to Jan and the Panozzo family. Bob was truly a kind person, one whom we could count on and we respected. He was a good friend, good neighbor, and good parent to Stacy, her family, and Bob and Jan’s furry family. Just an all-around great guy with a kind of softness we welcomed. He was especially kind to Gene which was touching. He will be missed. Love, Bev, with Gene at my side
