“ Jay, I'm so sorry for your loss, my friend. I never knew your mother, but looking at pics of her, and seeing that smile, I can't help but feel that she had a huge influence on your wonderful sense of humor and outlook on life. Peace, my brother. ❤️🙌🙌

“ Helen, Johnnie just called me and told me about Robin. I am so sorry. You know how long we were friends and how close we were. She was my best friend and I loved her so much. She was the sweetest, most honest and loving person. We lost touch after school, but it wasn't long before we found each other at Pic N Save and then Walmart. Please know that you and the family are in my thoughts and prayers

“ I was so saddened to read about robin's passing. She and I were classmates at Fullerwood Elementary and through H.S. Whenever I saw her in the later years, her smile never changed. It would light up a room! Rest in peace, Robin. I'm sure you and David are reunited, which is a beautiful thing!

“ *I am sorry for your loss, family. I hope when you think of her, you feel peace in who she was, rather than pain from what you've lost. I did not know her, but knowing those of you that I do, She did a great job raising good, kind people. She's alive in all of you.*

“ *Robin was an unbelievably kind woman. Her ability to empathize and sympathize for people in her life who didn't always deserve it, is something I will always admire. She was a wonderful person.*
