“ Sam and family, I am very saddened by the passing of Rocke. I have very fond memories of meeting you both many years ago at the Jax Beach Pavilion for summer dances. Rocke was always very witty and would always put a smile on everyone around him. Fun times in Palm Valley and also watching him surf. My Deepest Sympathy to all

“ To family and friends, please except my condolences. The loss of someone dear to us can leave us devastated - asking why. The loss, whether unexpected or anticipated still has a heartbreaking affect on us. Comfort can be found in the inspired words found at Revelation 21:4. there we see how everything causing us anguish in our lives will be gone - including death. We also have the wonderful hope of seeing those we have lost by means of the resurrection hope given at John 5:28, 29.
