Rodney James Roberts, 43, of St. Augustine passed away Thursday, October 10, 2019 at his residence. Rodney was born in Riverview, Michigan to James and Susanne Roberts. Rodney was a very outgoing person. He loved to help everyone and was the neighborhood handy man. He was a dear friend and someone you could always count on. He was a very smart and talented man. He attended Franklin High School in 1990. He served in the U.S. Navy from 2002-2013, he was a proud sailor and a top notch technician for the Navy. He was a proud, loving and devoted son, husband and father. Rodney had a soft spot for children all his life, and when he became a father it was one of the most precious moments of his life. He did everything for his family and close friends. He had a great sense of humor and ability to lighten up any situation. He was a great prankster and would make you laugh especially if you're feeling down. He just knew how to make someone feel better. He grew up to be the best man he could be. His wife states "I know his parents are proud because I was proud to be his wife and the mother of his child. He was loved by everyone that knew him for becoming the man he was.
