He graduated from Miami Senior High School and attended Miami – Dade Community College. Roland was very intelligent and put his whole heart into everything he did in life. He had the gift of a photographic memory, remembering everything, and learned quickly. Growing up he worked for his father’s trucking company. He met the love of his life, Marta Nunez, on a blind date and he knew she was the one. He often referring to her as “his gift from God”. Roland and Marta were married on November 17, 1993. On July 17, 2004 Roland gave Marta her dream wedding while renewing their vows. He had been a resident of Jacksonville since 2006. For many years Roland had the habit of waking early to read his bible because of his love for Jesus Christ. Of the many good things in Roland’s life, he valued his faith in Jesus, his wife and his family above all, “forsaking all others”. He was a fan of wrestling and the Miami Dolphins, and was an excellent chef. He will be missed deeply by all who knew him.

“ First time I meet Roly was at my sister Aurora’s birthday party.

*She at the time was friends with someone who knew Roly & my husband Ernie. At that party my sister hit it off with Roly, I looked at them together and I thought to myself , Roly? Really?
I didn’t see it !*

But from that moment on they were inseparable. If anyone knows Roly, you knew he was a very private & proud man, but at the same time very outspoken, always said what was on him mind, from politics to religion and everything in between he let you know where he stood, whether you liked it or not

Roly was also quite the character. Did he have a temper at times, yeah he did , but who doesn’t? Was Roly occasionally in a bad mood, yeah sure, but who doesn’t get in a bad mood once in a while

Would Roly in his conversations drop the F’ bomb ? Yeah ALL THE TIME 🤦‍♂️ but then again who doesn’t! But those things are just a small part of who Roly was !

Roly was a very loving , caring & devoted husband, father, grandfather, brother & good friend.

My sister was the love of his life !! He adored her and the kids so much, he was so very proud of them and the women and man they have become. They both created a beautiful family together and made many beautiful memories .

Roly had many obstacles and challenges in his life, in which he overcame each & every one of them. But this one was one of the biggest challenges of his life, one that he fought, till the very end, and at the same time reminding his family how much he loved them. God called his son Roly home. Roly may not be here physically, but Roly will always be in our hearts , we will

always think about him and tell stories about him and laugh.

Roly will be the most beautiful guardian angel watching over his family and giving them strength every step of the way !!

Roly, you will be tremendously missed

“ My dearest cousin, you made my summer 1990 taking me to many diferentes places in Miami, Florida Keys, Disney World, introducing me to all your friends and showing me around. Thanks for the precious time and memories, thanks for your generosity. You are gone far too early but you will always remain in our hearts.

“ Roly, I love you forever, my baby brother, we had an awesome childhood and you grew up to be a God Abiding man. You had a wicked sense of humor and you tell jokes like no other. Anything you set your mind to you accomplished with so much more. Until we see each other again Love me.
