“ I've just learned of Ron's passing. We used to fish together when we weren't working for Disney Security. I lost contact with him after he retired but didn't know exactly where he moved to. Now he is fishing with the disciples. I'll see him later when it's my turn to step over that line. I miss you even more now that I've found you, Ron. Catch a big one for me. Harry

“ God saw you getting tired and a cure was not to be. So He put His arms around you and whispered "Come to Me." Although we loved you dearly, we could not make you stay. A golden heart stopped beating, hardworking hands at rest. God broke our hearts to prove to us, He only takes the best. Our prayers are with all of the family during this time. I will always remember the good times we had growing up at the parties. My heart goes out to Melonie, Rhonda and Ronnie and your families.
