

## Ronald Charles Davison

October 16, 1947 - July 13, 2024

It is with deep sorrow that we announce the passing of Ronald Charles Davison, who left us on July 13, 2024, in Jacksonville, Florida. Born on October 16, 1947, Ronald lived a life full of passion, dedication, and love.

Ronald's love for the ocean was unparalleled. A skilled and enthusiastic scuba diver, he spent countless hours exploring the mysteries beneath the waves. He loved to share his passion with others, occasionally running a diving boat for other people, so they may also explore the ocean. In retirement however, he traded his Rebreather for a Recreational Vehicle, and spent the next four years travelling all 50 states with his beloved Cathy.

Before dedicating his life to the sea, Ronald worked in a number of various fields, dedicating himself in earnest to all careers he occupied. Most notably, he served as a Maintenance Director at a nursing home, where his hard work and commitment ensured a safe and comfortable environment for the residents.

Ronald is survived by his loving wife, Cathy Davison of St. Augustine, Florida; his son, Darby Davison of Chester Springs, Pennsylvania; and his daughter, Dara Davison-Vila of Frederick, Maryland. His family remembers him as a devoted husband and father whose love and guidance were unwavering.

Ronald's adventurous spirit and kind heart touched many lives, and he will be deeply missed by all who knew him.
