“ Ron was a very good long-time friend and sorry to hear of his death. We had alot of fun times years ago.

“ Ron was a wonderful man with a heart so big his body couldn't contain it and he is greatly loved by everyone who knows him!! We will all miss his quick wit and goofy sense of humor but his determination and refusal to give up without a fight will remind us all to do the same in his honor!! GOD bless Ron and his family!!
