“ *RIP Bubba a Butch.
You proved them Doctors wrong 36 yrs ago and you fought hard to keep going. You & Joe behave and don't be chasing them pretty angels. You never forgot the day Big Joe lifted that washing machine over a 5 foot fence just for you. We had some good ol times together.
My thoughts and prayers are with the family. 🙏🥰💔*

“ Hard to know the right thing to say at a time like this. Your Mom Bets has been a lifelong friend and sister to me. You kids are like my own. Such excitement when I first met you all returning from Germany. At that time just Ronda and Butch. Two beautiful babies in diapers. My oldest two grew up with you all. I love you all forever and Im sure Butch is watching over you all. "Auntie" Leslie Baker.

“ I remember Butch very well and was shocked when he had his accident. My mother Carol had worked for the nursing home he was at and always spoke very fond of their interactions. He will be missed
