“ Steve, I'm so sorry that Rosie has passed away! I know you will miss her very much. I haven't known her but 2 years. But she was always so happy, and always very helpful to me. Please except my condolences. I'm sorry that I will not be at the service Monday, as I have pre-op all day. But I'll be thinking of her and the family. Please feel free to call me, and come visit at any time. I;ll be here for you if for nothing but to have someone's sholder to cry on. I love you very much and again I'm sorry.
