“ LOVE never dies. Love is something eternal - the aspect may change but not the essence. - Vincent Van Gogh Your physical presence has transcended. Yet we know that live on the hearts of your family. Your daughter Beth love has grown deeper than she could ever have imagined. She treasured the last few days she was able to spend with you! Now she is slowly, ever so slowly dealing with the reality of your passing. Bub I may find himself connected to your memory as never before

“ Mother Dear, you are still my everything. I always adored you and wish for the moments to fly and we can begin again, just like in Atlantis, with our days on the beach, swimming and splashing and laughing! Say hello to everyone for me, I do hope you are happy, as I feel you all around me the way you were in the early days of schlepping with Aunt Theresa, Aunt Rose, Esther and Philly, Margie and Al, and all the rest. I love you with every edge and glimmer of me. Your daughter, always and forever, Honey
