“ *In this time of great sadness, please know in the very near future there will be a time to rejoice. Revelation 21:3,4 speaks of a time when there will be no more death, but a time of resurrection. My condolences to family and friends.*

“ *I have so many great memories with you. You were so amazing and literally could light up any room that you were in. I loved spending the summer time with you in Georgia. You always made time for me as I was growing up and loved me like your own. I am going to miss you but I know you are in heaven with all of our loved ones and you are lighting heaven up with your smile. I love you aunt Sandy... Until we meet again... XOXO*
