

Sarah Woodcock

September 13, 1944 - May 6, 2026

It's with deep sorrow and love that we announce the passing of our beloved mom, Sarah Woodcock (D'Onofrio), who left this world peacefully to be with the Lord on 05MAY26 at the age of 81. Her life was defined by her quiet strength, kindness, and unwavering love for others. She was born in England and known to many as "Spicy" Sarah. In later years she lived with dementia, a journey that gradually changed many things, but never diminished the love she gave or the impact she had on those around her. Even as memories faded, her gentle spirit and the comfort of her presence remained. Her family will always cherish the moments of connection, familiar smiles, and the enduring bond that could never be taken away. Until we meet again our sweet angel. We love you. You will be deeply missed and forever remembered.

She is survived by her three children, Joseph, Carmela (Mark) and Christina, who will forever carry her lessons of love in their hearts. Loving Grandmother to Theresa, Daniel, Pamela, Nikolas, Merideth and Morgan. Great Grandmother to five. She leaves behind a legacy of kindness, laughter, and a family that will miss her every single day. She was happiest when we were all together.

There will be no funeral services, and our family will be celebrating her life at an event in the summer of 2026. In lieu of flowers and gifts, please donate to St. Jude. https://fundraising.stjude.org/site/TR?px=9237440&fr_id=154020&pg

Miss Sarah was a delight every Thursday and Friday when I saw her. I always enjoyed our conversations about recipes and cooking them. Miss Sarah was always very kind with her compliments. I will sincerely miss her with all my heart.

*With deepest sympathy,
Laura and Ray*
