

Sharon Anne Zetrouer

August 24, 1954 - May 15, 2026

Sharon Zetrouer, age 71, passed away on May 15th, 2026, after a courageous eight-month battle with stage four pancreatic cancer. Sharon was born in Schenectady, New York, on August 24th, 1954. In New York, she was raised by loving parents Jane and Norman Tansky, alongside sister Noreen Tansky. After completing school and getting married, she gave birth to twins, Jennifer and Jason Read.

Shortly after, her family relocated to Florida. While in Florida, her number one focus was her children, but she also became a local business owner. She met so many loved ones through this business and friendships that lasted a lifetime. She went on to become a bonus mom to John Robert Zetrouer and have another daughter, Melissa Zetrouer. She took on the role of chaos coordinator, balancing a business, ten-year-olds, and their activities, plus a newborn. She never once showed her overwhelm, doing it ALL with grace.

As the years went on, she became grandma, monkey (yes, you read that right), nana, and great grandma to Kyle Read, Andrew Read, Joshua Read, Caleb Ferraro, Savannah Zetrouer, Giovanni Antonetti, Arianna Antonetti, Brooklyn Ferraro, Mason Mercer, and Aurora Read. Her grandchildren became her entire world.

Sharon was truly everybody's "mom." She welcomed everyone into her home, her heart, and her life. There is nothing she wouldn't do for her loved ones. She showed up for her people in the most selfless ways. Sharon was the most unforgettable, nurturing, comforting, devoted, and inspiring woman. A mom and grandmother who made everyone feel safe, loved, and important- truly the heart and matriarch of her family.

Private services will be held. Please reach out to her children if you would like to attend.

“ Sharon fought a long and courageous battle from day one of her treatment. She pushed through every challenge that came her way- side effects, treatment holds and changes. Being Sharon's nurse and getting to know her on a more personal level is one of the greatest honors of my life. I am so saddened by this loss and am keeping every one of you in my thoughts during this difficult time.

“ Mom,
You fought so hard. I am beyond proud to be your daughter. Thirty-four years with you never will be enough. You spent every day loving your children and grandchildren fiercely. You believed in all of us, met our every need and want, and supported us in every way you could. I truly don't know how I will do life without talking to you 24/7. I have my picked up my phone to call and text you so many times. Some of my favorite memories with you include being a kid and having special breakfasts in your bed, watching so many seasons of Dancing with the Stars with you, going on trips, having you check that I got home safe every single day, celebrating every holiday big, and seeing you love and care for my son and all your grandchildren. I miss you so much. You were my safe place... I knew everything would work out okay as long as I had you. I have so much gratitude for you. I truly hope you're my mom in every universe. I love you forever.-Melissa
