“ Stanley T Harrill and his wife Helen had a mobile home next door to my Family in the Kurl Miller Subdivision of Wildwood Florida in 1973. They were fantastic people ! Mr Harrill worked for the railroad in Wildwood during the week & coached Wildwood little league baseball (The Tigers). They had a bicycle built for two. They took me to St Augustine several times to spend the weekend at their house on Minorca, across the bridge of lions.
