

Stella Madeline Muller

June 11, 1934 - October 1, 2021

Stella was born to William J. Merry and Madeline Volante Merry on June 11th, 1934, in London, England.

After marrying James Weedman U.S.A.F. (deceased), she and her daughter Nancy left Clacton-on-Sea, England to join her husband in America.

While raising nine children, Stella met and married the love of her life, William (Bill) Muller in Evansville, IN. They were united in marriage in December of 1971 after which Bill adopted all nine of her children. Their children deeply loved Bill who passed away in 2018 after 47 years of marriage.

Stella's life work was taking care of the elderly. For thirty years she dedicated her work to all areas of geriatric care, first as a Nurse's Aide and then as a Social Director at several facilities in Indiana and Ohio. Mayor Goldsmith of Indianapolis, IN, recognized Stella for her dedication and hard work by declaring June 9th, 1996, as Stella Muller day in the city of Indianapolis.

Coming from a family of entertainers, Stella loved being involved in community theatre in whichever city she called home. She was a very talented actress, writer and director and won several awards for her productions.

Stella moved to Anastasia Island, St. Augustine with her husband Bill in 1997.

Stella grew up by the sea and it was her wish to retire by the sea as well.

Stella and Bill became members of and were very involved in the Parish of St. Anastasia Catholic Church. Stella joined the St. Anastasia Ladies Association serving as President for 4 years. Stella was also on the Parish Council Board. Bill and Stella very successfully ran the yearly garage sale for many years. They were also tireless volunteers at Catholic Charities for 10 years as well as serving on the Board of Directors.

Stella loved to travel and got to see most of the world whether traveling as part of her work or with Bill and her children. She was an avid reader, master of crossword puzzles, and a big fan of old movies. She also loved having her family around her.

In addition to her loving husband, Stella was preceded in death by their beloved grandson, William (Billy) Muller, at age 19 in 2000, their beautiful, great-great grandson Jordan Thomas, at age 19 months in 2017 and their youngest and much loved child, Vincent Muller September 21st, 2021, at age 55.

Stella is survived by her eight remaining children, Nancy Cilento, Barbara Muller, Teresa (Edward) Guard, James (Annemarie) Muller, Aurelia Muller, Kimberly Muller, Emily (Ronald) Firari and Anthony (Barbie) Muller. She is also survived by 23 grandchildren, 36 great-grandchildren and four great-great grandchildren. And George, her furry four-legged child. She is also survived by sisters Barbara Aldis and Marie Amin and many nieces and nephews.

A funeral mass will be held at St. Anastasia Catholic Church on Thursday, October 7th, at 11:00 a.m. with a reception to follow.

In lieu of flowers, donations may be made to the Cystic Fibrosis Foundation,

The Multiple Sclerosis Association, The Wounded Warriors Project, or

“ Sending much love to the whole family during this very hard time. I know through Kim that Stella was a force of nature--and here love and humor were contagious. Kim always got an extra twinkle in her eye when sharing about her. Praying for your comfort as you hold her close to your hearts and treasure every memory. Love Debra Schommer Klein

“ Dear Rae and entire Muller family. My family is thinking of you at this time. We are so sorry for your loss and feel like our lives have been so blessed because we had been given the privilege of having known your beautiful mother. She had such a way of making anyone who met her to feel as though they were now, and always had been, a beloved member of her family. She really had a way with people and everyone loved her. When I think of Stella, I immediately see that beautiful smile and I feel that loving kindness that she always exuberated. Thank you Stella for shining that bright light of yours unto our family. God keep you in his loving arms.

“ I love you Mom. You were so good to me. I was very lucky to have you as my second mom. I will always remember when I first met you and I kept waiting for you to make me custard for the first time and I got impatient and you teased me about being impatient and that was our joke between us for sixteen years . I know you are a beautiful angel now, like you were here on Earth. Love you . ❤️.. Mom. From Patricia Muller and Maria Muller

“ *Stella always made me and my family welcome, when we came visit. Also when she was back in the Evansville area. So many memories of times with your family. So much love in one person. How did she hold all that love. I guess by giving it away to everyone who knew her. Our prayers are with you during this time. If I can do anything for your family please let me know.
